**The Unicorn Group adds human capital maven to lead practice**  
*Thomas brings executive level mission critical HR experience to the team*

Washington, DC (June 1, 2010) – The Unicorn Group is proud to announce that James E. Thomas III has agreed to join The Unicorn Group as a Managing Director to head up the Human Capital practice.

“We are excited to have an executive of Jim’s caliber to head up this important practice area of our firm ,” says John Aggrey, Chairman and CEO of the Unicorn Group. “Human capital, properly sourced, is at the heart of any successful enterprise and we’re glad to have a maven in Jim to help guide the way.”

. Mr. Thomas recently served as the Interim Senior Vice President, Human Resources for Inova Health System, the largest private employer in Northern Virginia with over 16,200 employees. Prior to Inova, Mr. Thomas served as the interim Senior Vice President, Human Resources for NeuStar, Inc. At this leading global communications company he had responsibility for all human resources functions. Prior to NeuStar he also served as the EVP of Human Resources and Administration for webMethods, Inc. He led the human resources, facilities, and information technology departments and provided direction to these functions worldwide. He also held human resources management or executive positions at Ford Motor Company, Lockheed Martin, The American Red Cross-National HQ, and LCI, International.

“I am pleased and honored to have the opportunity to provide my advice and experience to The Unicorn Group as it continues to grow and provide valued service to its clients. Unicorn’s clients that continue to grow and succeed will certainly give key emphasis to their human capital and I also look forward to supporting their success,” says Jim Thomas.

**About The Unicorn Group**

The management of The Unicorn Group brings over 50 years of collective experience and has spent over 20 years developing a process of **Executive Relationship Marketing (ERM)** patterned after the Asian principles of *Guanxi* (*pronounced Guan-chee*). With a personal network of over 2,400 senior executives in the United States and around the world, we screen the technology landscape to identify hard to find, best-of-breed, early stage business solutions and present them to relevant decision-makers in targeted industry verticals across corporate America to create efficiencies and optimize productivity.
